Run on tagboard

1. Cut out the stencil and chalk it heavily on one side.
2. Place it on clean paper, and holding it firmly with one hand, use the other hand to wipe the chalk from the center of the bird to the edges of the paper.
3. Prepare the bird again, with a different color of chalk. Watch out for smudges on your hands or the paper.
4. Place the bird on another part of the paper, overlapping the first outline that you made, and brush this color off the bird, onto the paper and out to the edges.
5. Repeat until desired effect is achieved. Spray with fixative.
6. Finally, you may want to outline the bird in black ink.
